Dimond Winter Warm-Up Bazaar
Local craftsmen offer their unique creations this Holiday Season

ANCHORAGE, AK - For the second year Dimond Center brings Anchorage the Dimond Winter Warm-Up Bazaar, a platform for local craftsmen to share the talent and their wares with the holiday shoppers. The wish behind offering a craft fair is twofold. On one hand Dimond Center loves to support local business, and on the other, it looks for new opportunities to offer its shoppers as many options as it can so that they can find that perfect holiday gift.

This year over forty vendors will be at the Bazaar. Having grown since last year, this year it will be located in the hallways of the main level of the Dimond Center. For a complete list of the vendors, please see Dimond Center [webpage](#).

The hours have also been expanded and the craft fair will be open from 10am to 6pm on Saturday, December 5th.

About Dimond Center

Dimond Center was founded in 1977 as a modest neighborhood shopping venue. Today it has become the largest indoor Shopping Center in Alaska. From the beginning Dimond Center has made its goal to create a family friendly environment. It combined shopping, dining, business, and entertainment to generate a community hub where families could shop, socialize, have fun, and dine all in one place.

Over the years, and through expansions, they have invested in the local community: creating jobs and boosting commerce. Today, Dimond Center is still a family owned business with the same commitment to family and community as the day it was founded.
